

- ❖ *Our Torch Club helped our local animal shelter with fundraising for supplies the shelter needed*
- ❖ *75% of our members attended our after school program three or more times per week during the school year*
- ❖ *Our Power Hour was a great success this year with 100% member participation*
- ❖ *Our research-based Project Learn philosophy helped our members increase their academic and social confidence levels*
- ❖ *Almost all of our members at all three of our sites participated in our Fitness Authority program - helping to maintain our county's low obesity rate among youth*
- ❖ *This year was a powerful year for the arts with all three of our sites participating in national art contests*
- ❖ *Our club participated in the Boys & Girls Club of America's Fine Arts Exhibit Program*
- ❖ *We increased our reach to the hispanic community which made up 12% of our total membership*
- ❖ *Member participation in our specialized program, Passport to Manhood, grew by 33%*
- ❖ *180 of our Pollock Pines Clubhouse members participated in our Money Matters financial literacy program*

2006 ANNUAL REPORT

Boys & Girls Club of El Dorado County Western Slope Locations

We envision a future in which the Boys & Girls Club Movement is a catalyst for a new age in America, an age in which success is within the reach of every child, and whole generations of children are inspired to a level of civic engagement not seen since the founding of our nation.

MESSAGE

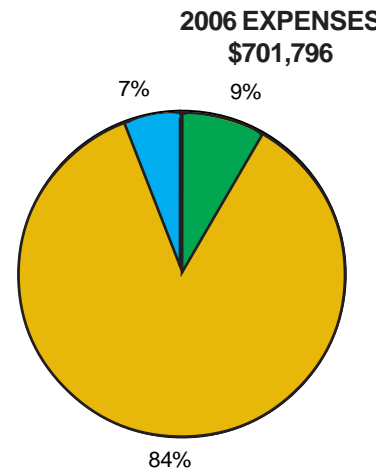

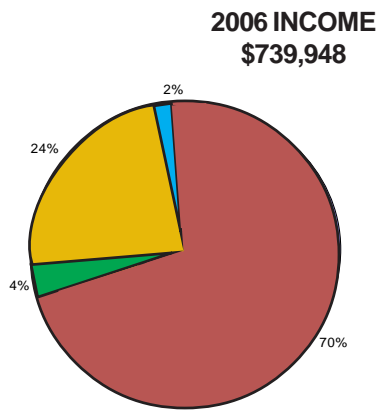

In 2006, the Boys & Girls Club of El Dorado County Western Slope saw a stabilization in attendance from the prior year, with the Club serving 1600 youth across our three sites. It was also a year of greater impact as we saw our young members gain greater academic and social confidence through their experience at the Boys & Girls Club. We made significant strides with participation in our fitness programming. Also, it gives me great pleasure to announce that we made notable strides in increasing membership within our hispanic population during the year.

Along with maintaining a similar amount of youth served, our financial position remained level with the prior year, despite the addition of a new resource development staff and the downturn in many sectors of the local economy.

I would like to recognize our outstanding volunteers, including our 38 volunteer board members, our strong supporters, and our skilled staff for their great accomplishments in 2006. Together we ensured that all youth, especially those who needed us most, could reach their full potential as productive, caring, responsible citizens.

Jim Carter
Board President

EXPENSES

SUPPORTERS

Without the help and support of donations and grants, Boys & Girls Club of El Dorado County Western Slope would not be able to serve the youth of El Dorado County. Thank you!
